EPSON
 EXCEED YOUR VISION

*refer to www.epson.com.au/technical for more detailed information.

¹ Copy & Scan speed is measured based on First Copy out SEF (Short Edge Feed).

² Maximum copy speed is measured based on First Copy out LEF (Long Edge Feed) Product specifications are subject to change without notice.

³ The actual maximum image width or length to be scanned is reduced by a default scanning margins of 3mm to all four directions.

⁴ HP-GL/2 & HP RTL are trademarks of Hewlett-Packard Company. Printer may not print HP-GL/2 or HP RTL language data accurately depending on your system environment or type of print data use. In order to ensure correct printing results, please make sure that you run a printing test prior to deciding on purchasing the printer. Ask your local Epson representative or Epson authorised resellers for your test.

⁵ Adobe® & PostScript® 3™ are trademarks of Adobe Systems Incorporated in the United States & other countries.

⁶ The Auto take up reel system works with the SC-T7200 only.

⁷ The optional scanner works with the 36" and 44" models only. It is included with all the MFP models.

⁸ The optional HDD is incorporated with all postscript models or it can be purchased as a stand-alone option.
